Kick me !

Don't play with me !
Can't play with me !
I'm so freaky !
Live that life with jealousy !
Reconfort me !
Or try to be !
Differently !
Try to understand me !

So they call me freak
And I call them freaks
I ask myself why ?
Why they light me ?
Words...words

Don't play with me !

You take these words too close to you !
Words... That's only words !

Words !

That's only words !
