PAPA no chinmoku, MAMA no HISUTERII
Rokusai no ore wa wake mo wakarazu
Hidari mune no oku, shinzou dake ga hashiru
Nanjaku na gimon, nagase nakatta namida
Kitto ashita ni wa, kibou no hikari ga sasu to shinjita
Mitomerareru tame ni, homerareru tame ni
Ore wa ore janai dare ni nareba ii ka?
Zutto kangaete kita
Dare mo waruku nankanai sa, kedo
Nande kazarazu ni irarenai n'darou
Nande ari no mama ni mukiaenai n'darou
Nande ore no mama de ichaikenai n'darou
Aisuru koto, aisareru koto, aisarenu koto
Naomo hito wo aishinuku koto
Subete wa tsunagari kurikaesu
Kurikaeshi no naka ni yagate henka ga otozureru
Owarinaki rasenkaidan, noboru, noboru
Itsuka wakariaeru hi ga kuru nara
Sore made wa tada
Tada arittake no kanashimi wo komete
Dokomade mo sabishiku hanayaka ni
Blues on the run
Oyaji, ofukuro, aneki, ore
Peace
