Na - na, na, na, na, na
Her eyes were oceans of freedom, my mind strong like
a kingdom
nothing in this world could break our hearts
I close my eyes and believe in, one day we'll meet
when we're dreaming
that's the only place where we can hide
Climbing the hills like a lion, we will never give up trying
No one could have forced our love apart

Libre love, libre us
Take me to the place where we can be

Cuba Libre be my love tonight
She was running down the street of solitude
Cuba Libre be my love tonight
A lonely rose was bleeding from the root
And they sang, Na, na, na, na, na, na

I close my eyes and believe in
One day we'll meet when were dreaming
That's the only place where we can hide
The music we made together, will always be there
forever
Goodbye my love sleep tight tonight

Libre love, libre us
Take me to the place where we can be

Cuba Libre be my love tonight
She was running down the street of solitude
Cuba Libre be my love tonight
A lonely rose was bleeding from the root
And they sang, Na, na, na, na, na, na

Libre love, libre us
Take me to the place where we can be

Cuba Libre be my love tonight
She was running down the streets of solitude
And they sang...
Cuba Libre be my love tonight

A lonely rose was bleeding from the root

And they sang, Na, na, na, na, na, na
