Dirty Little Pop Song  
DJ DJ on the floor  
Who's your slutty little whore  
My DJ, D-D-D-DJ  
Press the button, turn it up  
Boost it 'till it makes you hot  
My DJ, D-D-D-DJ

I wanna buy what you're selling so let's cut to the chase  
Your a mind fucking baby and your pimp is the base  
The beat is so non-stop, it's the pulse of the night  
And it drives you in like a red street light  
And it drives you in like a red street light

I'm just a dirty little pop song  
That keeps running through your brain  
And even though you know it's so wrong  
You're gonna love going insane

I'm just a dirty little pop song  
That keeps running through your brain  
And even though you know it's so wrong  
You're gonna love going insane  
Oh oh oh oh oh

I'm spinning in your head  
Spinning in your head  
Spinning in your head  
Oh oh oh oh oh  
I'm spinning in your head  
Spinning in your head  
Spinning in your head  
Oh oh oh oh oh

Kill me slowly, do it right  
When you're on the floor tonight  
D-dancing, da-da-da-dancing  
Wind me up and break me down  
Twist me, turn me round and round  
D-D-D-DJ

The first hit is on me

So baby set yourself free  
'Cause you can let me go  
I'm on your radio  
This is the [?]  
Because I'm already in  
And though I'll blow your mind  
You wanna re-rewind  
And though I'll blow your mind  
You wanna re-re-re-re-re-re-re-re-re-rewind

I'm just a dirty little pop song  
That keeps running through your brain  
And even though you know it's so wrong  
You're gonna love going insane

I'm just a dirty little pop song  
That keeps running through your brain  
And even though you know it's so wrong  
You're gonna love going insane  
Oh oh oh oh oh

I'm spinning in your head  
Spinning in your head  
Spinning in your head  
Oh oh oh oh oh  
I'm spinning in your head  
Spinning in your head  
Spinning in your head  
Oh oh oh oh oh

On the radio  
On the stereo  
In the video  
On the disco  
On the radio  
On the stereo  
In the video  
On the disco

I'm just a dirty little pop song  
That keeps running through your brain  
And even though you know it's so wrong  
You're gonna love going insane  
Oh oh oh oh oh

I'm spinning in your head  
Spinning in your head  
Spinning in your head  
Oh oh oh oh oh  
I'm spinning in your head  
Spinning in your head

Spinning in your head  
Oh oh oh oh oh
