Hey... (42x)

Huh... huh...

Just just.. just just.. just just stay.. just just me.. make me feel I'm alive..

Just just me.. just just stay.. just just me.. me (5x) make me feel I'm alive..

Huh... just just.. just just me.. huh...

Just just stay.. just just me.. me (5x)

Huh, huh, huh.. (about 20x) [good morning sunshine.. (5x)]

Me.. (15x) .. just just me.. me (6x) make me feel I'm alive..

Make me feel I'm alive..

Good morning sunshine - your my only light,
Lying with me by my side.. you keep me warm all day,
Just stay with me, me.. (8x)

Good morning sunshine - be with me all day,
Just don't let the rain pass you by..
When it's cloudy or windy - and the snowflakes arrive,
You somehow just make me.. make me feel I'm alive..
(4x)

Huh.. (7x) huh.. (3x) huh uh yeah.. huh uh yeah
Huh.. just just.. huh.. just just me.. huh... just just stay..
huh uh yeah, huh uh yeah..
Just just.. good morning sunshine! (4x)..

Make me feel I'm alive..... (3x)
