"Live Fast - Die Young"

MotoLyrics

Whatever happens in the club, baby, stays there I'm not gonna carry around past I'm just not waiting till that something's gonna happen I'm gonna find it, baby Trust me, yeah

Live first and die young All we are looking for is hope and glory 'Cause I was born to run There's not a boring page in my life story

Whatever happens in my life, baby, boosts me There's not a second that I'll regret I'm just so full of life and ready to explore it And it all feels like I'm ready explode I know that ever since that I was born I was ready just to party on, yeah

Live first and die young All we are looking for is hope and glory 'Cause I was born to run There's not a boring page in my life story

Go, go We're not gonna live forever Go, go Tonight is the night Go, go Whatever happens, baby Go, go We're never gonna regret

I'm a little schoolgirl in my daydreams Lighting up the candles one by one Freaky giant old men coming closer Blowing out my candles Wake up now

Go, go

Live fast Go, go Die young

We're gonna live like there is no tomorrow We're gonna live like there is no tomorrow

Live first and die young All we are looking for is hope and glory 'Cause I was born to run There's not a boring page in my life story

Live first baby, die young There's not a minute that I'll waste on sorrows 'Cause I was born to run I'm gonna live like there is no tomorrow
