Ohhh... I'm so sorry we could have worked it out. but
you just had to
walk out that door. I hoped we could have fixed it so
this is all I have
left to say to you is that I'm sorry.....

I'm sorry baby(for losing you) This once the last chance
we had
and you didn't hear a thing I ever said and now all I
have to say is
that I'm sorry(for losing you).

Ohhhh.... This is it your just gonna walk out
(I have no choice). well to this
day all I have to say is I'm So Sorry.
..... We had our chance but we lost it.
ohhh and this all I have left to say is sorry yeah.....

Repeat chours(x2)

Yeahhh this is it I'm sorry for losing you.....
