No need to tell her she knows that there another little
hole in her heart
Each day each dollar she knows it tears another little
hole in her heart
'Cos she feels it happen no doubt that there's another
little hole in her heart

The day is breaking and the time is taking the love
were making
Away this life can only leave us lonely there's no
tomorrow
Just another little hole in her heart

No need to tell me i know that there's another little tear
in my eye
I'm quite aware i see that's there another little tear in
my eye
Do you ask yourself why shold we ask ourselves why
Is there any point in wondering why any point in
wondering why

The day is breaking and the time is taking the love
were making
Away this life can only leave us lonely there's no
tomorrow
Just another little tear in my eye another little tear in my
eye

I don't know i don't know i don't know i don't i don't
know

The day is breaking and time is taking the love were
making
Away the gods have spokent he spell is broken and
love will tear us love will tear us apart

This life can only leave us lonely there's no tomorrow
Just another little hole in my heart another little hole in
my heart

Don't know i don't know i don't know i don't i don't know
