Only when i close the door
Only when i turn the key
Only then i really know
Ooh
Love walked out a long time ago
Without a warning
Left me here with you alone
Holding out my empty hand
Spelling out my empty words
Pouring out my empty heart
Ooh
All this time wondering why
My kisses made you cry
Oh i never realised
You could see it in my eyes
Love is blind
Unkind
And always gets it's way
And love wont spare
Us joy
Or consequence or pain
And love wont wait for me
To work out how to save
Shouldve done this differnetly
Would have seen love slip away
Could have made it stay a while
But love walked out a long time ago
Without warning
Oh i never realised
You could see it in my eyes
Yeah yeahhhhhhhhhh
This love wont wait for me
To work out how to save
Goodbye
Baby goodbye
Goodbye
Baby goodbye
Goodbye
Baby goodbye
Spelling out my empty words
Pouring out my empty heart

Goodbye
Baby goodbye
