Aquagen - The Summer Is Calling

Take a Trip out to the Beach
Let the Sunshine in your Heart
Makes you feel good
Makes you smile
Be free and let your self go
Take a look up to the Stars
They are shining bright tonight
Makes you feel good
Makes you smile
Makes you feel
Like flying away

The Summer is calling your Name
And it feels and it feels like in Heaven
The Summer is calling your Name
And it feels and it feels like in Heaven
The Summer is calling your Name
And it feels and it feels like in Heaven
The Summer is calling your Name
And it feels and it feels like in Heaven

The Summer is calling

Take a Trip out to the Beach
Let the Sunshine in your Heart
Makes you feel good
Makes you smile
Be free and let your self go
Take a look up to the Stars
They are shining bright tonight
Makes you feel good
Makes you smile
Makes you feel
Like flying away

The Summer is calling your Name
And it feels and it feels like in Heaven
The Summer is calling your Name
And it feels and it feels like in Heaven

The Summer is calling your Name
And it feels and it feels like in Heaven
The Summer is calling your Name
And it feels and it feels like in Heaven

The Summer is calling
The Summer is calling
The Summer is calling
