(...The resurrection...)

[Tribe Old Shaman]

Now open your eyes, breathe the air tonight
In the river you were reborn, a miracle of life
In the secret place, you crossed the doors of light
Guided by the stars in the night, you found the way
back

Mother Moon and Father Sea
Purified you, set your spirit free
You found the reason for your dreams
But the missions hides within

[Bird Indian John]

Long ago, my heart was petrified
Now I can hear it pulse beating so fast!
Born again I am a child of light
I'm leaping with the wind like a feather fall

[Tribe Old Shaman]

Close your eyes and hear the nature whisper in your
ears
It says: "You were blessed by the miracle of life!"
Now more lies, no more disguise, no secrets with your
life
From now on you're in paradise, now you are a
