Oh, dark situation
If you wanna stay with me
Can you leave
My heart to breathe another time?

I don't know just how to ask you
To permit me happy life?
Oh, dark part of me
Let me drink a drop
Of whiteness
Unsuddenly...

Leave my heart and believe me now
I am looking for peace
There's a wish in my anxious soul
It's to revive again
Like an arising star...

If you wanna let me
To believe that there's a hope
I will be free
From my agony again

Oh, unconscious
Give me freedom
So I pray God every day
To convince you
That it's useless every cry
Send me a terse
Serenity...

Leave my heart and believe me now
I am looking for peace
There's a wish in my anxious soul
It's to revive again...

I don't know just how to ask you
To permit me happy life?
Oh, dark part of me
Let me drink a drop
Of whiteness
Unsuddenly...

Leave my heart and believe me now
I am looking for peace
There's a wish in my anxious soul
It's to revive again
Like an arising star...
