I shoot first, never warn you
you never tell a nigga what you gon' do

Chorus:

All I got is me, all I got is me

this the land of the free, I just wana be
got 4 kids, I just wana see
they say they gon' ride, I just wana see
all I got is me

Verse:

they label me a menace to society
and my house got guns and variety
I had one job and they fire me
and then a drug dealer came and hired me

cause he not sharing his food
so you make him say hi to the rugg
you say you about that, gotta prove
and pour the way you gotta lose
thats how you get a hip of the rules
60 shot clip in the uzz

all I got is me, all I got is me
this the land of the free, I just wana be
got 4 kids, I just wana see
they say they gon' ride, I just wana see
all I got is me
