i enter the battle
feeling confident,
i actually thought,
i had a chance
he seemed like a
tough opponent,
but still i did not
surrender
i gave it all i had
apparently,
that wasn't enough
well all that
doesn't matter now
because the dust
from this battle,
has been cleared

CHORUS

i have lost this
decisive battle
and there's nothing
i can do about it
i used all the lyrics i had,
but they are just words
with no perfect meaning
i have lost this
decisive battle
and all i got left
is your friendship
while he has
the precious prize,
of having you
by his side
i may have lost this battle,
but i sure
i didn't lose this love

i have lost this battle
i let my poor heart down
i gave you the best of me
but it was just not your type

i gave all the flowers i could,
unfortunately,
my garden was not big enough
he was the better man
he had everything you could
possibly ask for

CHORUS

i have lost this
decisive battle
and there's nothing
i can do about it
i used all the lyrics i had,
but they are just words
with no perfect meaning
i have lost this
decisive battle
and all i got left
is your friendship
while he has
the precious prize,
of having you
by his side
i may have lost this battle,
but i sure
i didn't lose this love

he's the man of your dreams
the man who can solve your problems
while I'm just a guy
who can assist you with them
my heart falls with shame
knowing you cant be its owner
then it shatters into pieces

CHORUS

i have lost this
decisive battle
and there's nothing
i can do about it
i used all the lyrics i had,
but they are just words
with no perfect meaning
i have lost this
decisive battle
and all i got left
is your friendship
while he has
the precious prize,
of having you
by his side

i may have lost this battle,
but i sure
i didn't lose this love
