Now is coming, now is here  
Come, come, come the war of all  
Nations.

Mesopotamia empire  
Is keeping the magic  
Jerusalem 666 the ghost land.

Soldiers of satan  
Soldiers of war.  
Soldiers from hell,  
Arallu destroys the earth.

The gates of Jerusalem open for  
The demons  
The battle begins from the heart  
Of the land  
And touching the big world.

All religions, all states,  
All countries, all nations  
Arallu is coming,

Now drink the blood  
It's a taste  
Of wine.

All the globe will fill  
The angry hand of satan  
From the desert to the ice  
From the rain through the fog,  
From the ground to the sky.

Arallu will punish the human race  
For betrayed the Genii king  
The human race betrayed the Genii  
King. god is upon you !

The death started in Jerusalem,  
And will finish with you  
Your time will come !
