(Yeah, yeah)

Tell me now, should I give in? So easy to end it all..

It's like an obsession to bear all this pressure

It's making me feel I'll break apart

But I'll never surrender, I'll be ready when you all..

(Fall down)

Fall down to the ground

Fall down

Smackdown, hit the ground

Fall down

(yeah, yeah)

Hear me now, I won't give in, I'm ready to stand above

I still feel the pressure, it's like an obsession

It's making me feel I'll break apart

But I'll never surrender, I'll be ready when you all..

(Fall down)

Fall down to the ground

Fall down

Smackdown, hit the ground

Fall down

I can feel the pressure..

Let your spirit thrive, hide it from the pain

So turn your eyes to the morning light once again

Let your mind dare contrive, let it fly far away

(Fall down)

Fall down to the ground

Fall down

Smackdown, hit the ground

Fall down

(It's just like an obsession to bear all this pressure it's making me feel, yeah, making me feel I'll break apart. I will never surrender I'll be ready when you all..fall down..)

Cause I'll bow never again

My head down never again
Cause I'll bow never again, never again
