"Good Time"

Visit "[Good Time](#)" on MotoLyrics.com

I was hangin out with some friends of mine
Down in Hollywood just a wastin time
I knew right then nobody could get me down
Cause I'm takin myself out on the town
Were gonna have a good time
I didn't think it could get much better than this
And then Charlie said "I know a place"
So I went inside that's when I saw her face
And then I knew I was gonna have a good time
Were gonna have a good time
She was the finest thing that I ever did see
I walked over to her just beggin' her please
I said "Hey baby, Do you wanna go out with me"
You wanna know what she said, she said
Were gonna have a good time
