### "Slaves Of Yesterday"

Monuments of dying dreams  
As far away as Eden  
These hours standing still  
Finding comfort in a distant past

Slaves of yesterday  
You are blind  
Blind to the sunrise

A roaming spirit, forever lost  
Among the living  
Walking down the fatal road  
Cursed to be left behind

Slaves of yesterday  
You are blind  
Blind to the sunrise

Lead melody - Christopher Amott  
Lead - Christopher Amott

Slaves of yesterday  
You are blind  
Blind to the sunrise (x2)
