In the night she comes to me,
When I dream about her
Beauty angel in the black coat
Takes my last breath
Then I'm feeling like falling down
To the grave of my world
There is almost everything
But I can see nothing!

Queen of the Night
Queen of the Life

Then I'm walking in her arms,
And I can't see her smile
Her deadly-white skin is touching mine,
I know... end is near
Something cold from her eyes
Is freezing me inside
Then she' telling me: "Taste My Scythe..."
Oh, yes, I will

Queen of the Night
Queen of the Life
