You may catch me talking to myself and then answer  
Or drivin' my truck down the wrong side of the road  
I don't mean to pose any threat or danger  
So don't be thinking I'm one brick shy of a load

Cause I'm not crazy I'm just out of her mind  
So don't be reaching for the phone to call the boys in  
white  
I may be just a little bit out of control and showing all  
the signs  
But I'm not crazy I'm just out of her mind  
[ guitar - steel ]

I'll be the first to admit that I nearly lost it  
When she walked out and didn't bother to say goodbye  
Been on the border of insanity but I ain't crossed it  
I may seem to be out in left field but I'm alright

I'm not crazy...  
Oh I may be just a little bit out of control and showing  
all the signs  
But I'm not crazy I'm just out of her mind  
No I'm not crazy I'm just out of her mind
