So can you take me away, from here, gone and gone
for good, anywhere but
Here[x2]

Hey baby, you know that I wouldn't do anything to hurt
you, would you mind
To take back the old and start over all new.
We don't even have to change our ways, It was always
my fault any way.
So if I could interest you in something that you wanted
all your life,
Would you come back to me? (would you come back to
me?)
Or would you stay away, and go home?
And leave me here alone

So can you take me away, from here, gone and gone
for good, anywhere but
Here[x2]

Hey baby you know that you always meant everything
to me
I wish I could say that you felt the same way for me
We should have seen this coming, so can you take me
away to where I want to
Be?
And where I want to be, is right here with you

Can you take me away
[Repeat manytimes]
