Fuck me at the parkinglot,
Fuck me at McDonalds
A cheeseburger I'll eat,
And my tits and ass you'll fondle

Fuck me at the laundromat,
Against the machine,
There's still another hour,
'Til my panties are clean.

CHORUS:

I need it right now,
I just can't wait,
If you don't fuck me here,
I'll masturbate.

It'll be really hot,
If we don't get caught,
So take out your cock
And show me what you got!

Fuck me on the dancefloor,
Just be sneaky,
'Cuz I'm getting wet,
The way you dance so freaky.

Fuck me at the library,
Up against the stacks,
Check out the kama sutra
And shove it up my ass!

CHORUS

Pull over!
'Cuz you're driving too fast,
And it makes me horny,
When you step on the gas.

Turn on your hazard lights,

Take off your pants,
If the cops come by,

Just show 'em your ass.

CHORUS

I like it when they watch
(Backseat Bushwack!)

I like it to be seen
(Oo-ah, I like it like that!)

I can feel their eyes on me
(Backseat Bushwack!)

It makes my panties cream
(Oo-ah, I like it like that)

Oo-baby, you know,
(I like it when they watch)

I wanna Backseat Bushwack
(I like it to be seen)

The kind that makes me go-
(I like it when they watch)

Oo-ah I like it like that
(It makes my panties cream)

Oo-baby you know,
I wanna Backseat Bushwack!

The kind that makes me go,
Oo-ah, I like it like that

Oo-baby you know,
I wanna Backseat Bushwack!

The kind that makes me go,
Oo-ah, I like it like that
