You give me dirty looks because I wear what you won't,
do what you don't,
Anything goes. He picked the meat over the bone, sat
me on his throne,
Bitch he made me moan, and left you home alone

Your girlfriend told me you were calling out my name
and I told her sorry
Baby, but I'm not the one to blame, you'd better watch
your man, cuz he's
Spending all your cash, and you know what's even
worse, it's cuz he loves
This ass

You love this ass You love this ass
Your mamma and your daddy know You love this ass
You love this ass When I shake it
You love this ass when I'm naked

Treat her to dinner but come to me for dessert,
Cuz I'm a flirt and lift my skirt and I don't care if it
hurts,
I got a man at home, but he ain't here tonight.
Mind if I wear yours? you two just don't look right

You think you're a stud cuz you get lots of hoes
And they're skinny and pretty and they know how to
pose,
But when I come around I can see them get pissed
Cuz they know in their hearts they're about to get
dissed

You love this ass You love this ass
Tell all those other bitches they can kiss my ass
You love this ass So don't hog it!
You love this ass double dong it

You act like you don't want it cuz I'm with too many
guys
But in the middle of the night you call me 25 times
You call me a whore, but you always come back for
more

Your other hoochie mamas aren't wet like me
Wont make you sweat like me, they wanna get with me
Cuz I got more back than sir mix a lots track
You all hate it cuz he loves it, always dis it cuz he does
it
And whenever he's with you, he wishes that you was
me

You love this ass You love this ass
You buy me lotsa stuff because You love this ass
You love this ass so just take it
You love this ass when we make it

You know those other bitches can't grind like me,
Make you blind like me there's no kind like me
Maybe I'm a ho, but that's why I know
How to work it, jerk it, make you go berserk it
Ride it, slide it, just the way you like it
Kiss it, fist it, utill I'm full of jizz and
Tease you, please you, till you're on your knees

You love this ass You love this ass
You're always at my house because You love this ass
You love this ass in the Jacuzzi
You love this ass more than her pussy

Girl I must confess I wore that dress so he would come
on my breasts
I wear things tight to make you fight whether it's wrong
or it's right
And I don't care if what I wear makes everyone stare
Cuz he loves me behind, your man is mine!

You love this ass You love this ass
I like doing it with you because You love this ass
You love this ass so don't fight it
You love this ass I'll copyright it!
