Boy the way Glenn Miller Played
Songs that made the Hit Parade
Guys like us we had it made
Those were the days.

Didn't need no Welfare states
Everybody pulled his weight
gee our old LaSalle ran great
Those were the days

And you knew who you were then
Girls were girls and men were men
Mister, we could use a man like Herbert Hoover again

People seemd to be content
\$50 payed the rent
Freaks were in a circus tent
Those were the days

Take a little sunday spin
Tonight I'll watch the dogers win
Have yourself a dandy day that cost you under a fin

Hair was short and skirts were long
Kate Smith really sung the song
I don't know just what went wrong

THOSE WERE THE DAYS!
