On a night when you
Are out on a lark
All alone and so
Afraid of the dark

That's the time you may
Encounter your host
(Who) the rocking ghost

When the winds are
Blowing up in the trees
And you're feeling
Kind of weak in the knees

Gloom will follow you
From pillar to post
(Who) the rocking ghost

Luckily if you
Want him to get going
All you do is say
I dig you the most, ghost

Then you'll notice
He'll be tipping his hat
Cause he really is
The swinginest cat

When he hears you say
I dig you the most
(Who) the rocking ghost

The rocking ghost
The rocking ghost

The rocking ghost
The rocking ghost
The rocking ghost
The rocking ghost

The rocking ghost
The rocking ghost

The rocking ghost
The rocking ghost

The rocking ghost
The rocking ghost

Luckily if you
Want him to get going
All you do is say
I dig you the most, ghost

Then you'll notice
He'll be tipping his hat
Cause he really is
The swingingest cat

When he hears you say
I dig you the most
(Who) the rocking ghost

The rocking ghost
The rocking ghost
The rocking ghost
