The only time I ever worried
The only time I cared
The night we lit your reason
The time your heart was bared

The Bloodheat
The Bloodheat
The Bloodheat
The Bloodheat

No one here can have you
No one here would dare
Of you, you say, I don't own
But where you go, my heart goes...

The Bloodheat
The Bloodheat
The Bloodheat
The Bloodheat

To love we build our chapels
In love we build our homes

But when the seas were parting
So our house turned to stone

The Bloodheat
The Bloodheat
The Bloodheat
The Bloodheat

You're the only one I love
You're the only one I love
You're the only one I love
You're the only one I love

There's no known reason
There is no known cure
Those who've been here know this
You will come once more
