Pop pop don't stop I need your heat
Raw paws won't stop these dancing feet

One crown, two kings, three wars, four more
Dead eyes live lies, I know you're sore

Two kills to me, two hearts too far
I need you. I need you. I need you.

Butterflies of love rain on me

Fifty reasons why you'll see I need you

Pilot this plane our path remains
You paint the sky such beautiful shades

I need you. I need you. I need you.

Butterflies of love rain on me
Fifty reasons why you'll see I need you.
