At the dark end of the street that's where we always
meet

Hiding in shadows where we don't belong living in
darkness to hide our wrong

You and me at the dark end of the street you and me

I know time's gonna take it's toll we have to pay for the
love we stole

It's a sin and we know it's wrong oh but our love keeps
coming on strong

Steal away to the dark end of the street

They're gonna find us they're gonna find us they're
gonna find us oh some day

You and me at the dark end of the street you and me

And when the daylight hour rolls around and by ten
we're both downtown

If we should meet just walk on by oh darling let's don't
cry

Tonight we'll meet at the dark end of the street you and
me
