Forever my darling my love will be true
Always and forever I'll love just you
And I promise darling my love in return
This fire in my soul dear forever will burn
My heart's at your command dear to keep love and to
hold
Making you happy is my desire keeping you is my goal

I'll forever love you the rest of my days
I'll never part from you and your loving way

(Forever my darling my love will be true I promise
forever I'll love only you)
My heart's at your command...
