Darling you oh you send me I know that you you send me

Darling you oh you send me honest you do honest you do honest you do

You you thrill me I know that you you thrill me

Darling you you thrill me honest you do honest you do honest you do

At first I thought it was infatuation but it lasted so long

Now I found myself wanting you to marry me and take me home

Oh you oh you send me I know that you oh you send me

And you oh you send me honest you do honest you do honest you do
