Its the weekend, and youre ready to make a move,

You're working 9 til 5, it aint so smooth.

So Monday, and its stress up on your life,

And you know that music really beats life.

So you got to,

Make the body move, (x4)

(Make the body) (x4)

You've got to let the body groove, (x4)

(Let the body) (x4).

(Ah ah; ah ah; yeah yeah)

(Ooh, ooh; ooh ooh; ooh)

(Ah ah; ah ah; ah; yeah yeah; yeah yeah)

So now is it time to do your thing,

Let the melody carry the swing.

All that I want is for you to get on down,

So you can feel the music all around.

But you got to,

Make the body move (x4),

(Make the body) (x4)

You've got to let the body groove (x4),

(Let the body) (x4).

Gonna make it,

Gonna lift it,

Gonna make this batty move.

Gonna make it,

Gonna lift it,

Gonna make this batty groove.

Gonna make it,

(Gonna make it)

Gonna lift it,

(Gonna lift it)

Gonna make this batty move.

(Gonna make this batty) -
