## "Early Grave"

I've been out for so long, the days slipped by again  
And I can't sleep since I stopped caring [x2]  
I'll stay out until my lungs bleed  
And I can't tell daylight from streetlights any-fucking-  
more  
As he cast his shadow

I've seen this road a thousand times and I can't look  
back  
And I've seen this road a thousand times and I can't,  
I'm not looking back

This is so unfamiliar; death is no man's friend  
And I'll stay here until I hear him roar  
Death is screaming my name yet  
I refuse to listen to him [x2]

I refuse, I refuse, I refuse  
To listen

I'll stay out until my lungs bleed  
And I can't tell daylight from streetlights any-fucking-  
more

As he cast his shadow

I've seen this road a thousand times and I can't look  
back  
And I've seen this road a thousand times and I can't,  
I'm not looking back

I can't sit here forever  
Watch me rise again  
Watch me rise back up  
Forever would just be so easy to fall into [x2]  
Yet I'll stay out until my lungs bleed  
Forever is the easy option but I won't take it  
I won't take it, no

The choices I've made will lead me to an early fucking  
grave

Death is screaming,  
Death is screaming,  
Death is screaming, my fucking name
