"Imaginary Ordinary"

We're in a restless way, when the fireflies come
And they light the light, where there once was none
I won't think about next week, I won't think until
tomorrow
Just a sight for sore eyes disguised as a fly

And not a single soul in these woods ever saw a jaw
drop so low as is mine at the moment
And not a single soul in these woods ever saw a jaw
drop so low as is mine at the moment

Imaginary Ordinary, it's you that I belong with
Imaginary Ordinary, it's you that I belong with
Imaginary Ordinary, it's you that I belong with
Imaginary Ordinary, it's you that I belong with
