"Kindling"

You won't count to seven, it's usually 'til ten
To hell with Sydney girls, you're much better than them
On my mattress I've been drawing a line
Where I'll shut my eyes and where you should lie, you
should lie
If you should lie

I'll be a lighter of fires
You be the fighter of fires
I'll be the fighter of fires
You be the lighter fires

Should I choose to stay here now all depends
On buildings, buses, streets, trees, rain and friends
On my mattress I've been drawing a line
Where I'll shut my eyes and where you should lie, you
should lie
If you should lie

I'll be a lighter of fires
You'll be a fighter of fires
I'll be a fighter of fires
You be a lighter of fires
