## "Learn To Live"

Visit "[Learn To Live](#)" on MotoLyrics.com

Pick yourself up, stop loving, start living  
Don't get held back, that's where they want you to be.  
I never paid much attention to them.  
Every time they pushed us aside  
We got back up again, yeah we made it through the  
rain  
Just to live another day without them.

Pick yourself back up, and learn to live, stop caring,  
stop thinking,  
Pick yourself back up, and learn to live.

The grass is greener on the other side, don't give up  
on life  
Never back down do this for yourself,  
You don't need anyone to get where you deserve.

I never paid much attention to them.  
Every time they pushed us aside  
We got back up again, yeah we made it through the  
rain  
Just to live another day without them.

Every time they pushed us aside  
We got back up again, yeah we made it through the  
rain  
Just to live another day without them.

We are the ones, you left out in the rain  
Come back tomorrow and we'll be here again.

We are the ones, you left out in the rain  
Come back tomorrow and we'll be here again.

We are the ones, you left out in the rain  
Come back tomorrow and we'll be here again.

We are the ones, you left out in the rain  
Come back tomorrow and we'll be here again.

(Here again...)

We don't need you, we don't need you.

We made it through the rain, just to live another day.  
We made it through the rain, just to live another day.  
We made it through the rain, just to live another day.  
We made it through the rain, through the rain.
