They'll sell you rainbows  
Where sugar-winds blow  
You're on your way to broken-heartville  
It's all placebo  
It's so deceitful  
The road to broken-heartville

With pills  
Handfulls of pill  
Bottles of pills  
Now do you see?  
This isn't over yet  
This isn't what I asked for  
This is what I get

Behind the curtain  
Young Johnny's hurtin'  
He's calling out for mama  
Hauled off and socked her  
Run call the doctor  
He's calling out for his mama

One for your anger  
Two for your heartache  
One for the cold-sweats  
Two if your hands shake  
One for the doctor  
One for the nurse  
We've got the answers at the bottom of this purse  
And it is...
