Stuck at your front gate  
With some pictures I just want to hand ya (pictures,  
pictures, pictures, pictures, pictures)  
Almost made the door knock twice  
Broke down on your verandah

Turn the dry concrete, into wet concrete

I can't find you anywhere (find you, find you, find you,  
find you, find you)  
I can't find you anywhere (pictures, pictures, pictures,  
pictures, pictures)  
So I wrote you a letter in capital letters  
Saying all that I care for, all that I care for is...

Where you've been hiding,  
Where you've been hiding

Which way the habits collect neatly  
Upon your stairs  
Which way we'll be end them both disceetly  
Leaving 'em for dead

When I find...  
When I find...  
When I find...  
When I find...  
When I find...

Where you've been hiding
