Dedicated to Kurt Vonnegut  
"You'll pretend you were men instead of babies, and  
you'll be played  
In the movies by Frank Sinatra and John Wayne or some  
of those  
Other glamorous, war-loving, dirty old men. And war  
will look just  
Wonderful, so we'll have a lot more of them. And they'll  
be fought by  
Babies like the babies upstairs."  
Kurt Vonnegut "Slaughterhouse - Five or The Children's  
Crusade"

Favourite toys turn people to trash  
Don't know if I see tomorrow  
Fire and lead devour my flesh  
Wild fear drowns my sorrow

Fog of death eclipses the morning sun  
Screams and cries - that's music of war  
Rush for tomorrow try to live one more day  
Or your body is taken home  
... in a wooden box

Long time ago we had different way  
You could decide what to die for  
With a sword in your hand and your homeland to save  
Man, not breakfast for shells

We see the morning sun  
And we know that life is fun  
We don't want  
To die  
We are tired  
Of lies  
We just want to live in peace  
These "wars of deliverance"  
Like a gold mine that never ends  
We don't want  
To fight  
For somebody's  
False pride

Treat us just - we're also people

Children's crusade...

Crusade...

I see through the clouds - a faint ray of hope

I know after storm sun will shine

And darkness will have to retreat

Dark...
