Shadows

Lie on my past - I know...

Dreaming

My hope makes me so strong

Looking through my life forever

Lost in reality again

Winds of Dust

Blow away all souls

Leave me be, my Guarding Angel

Or reality'll come back

Understand my true life's

...In the Dark

Calling

Syringe thrown me from the skies

Freedom

My daydreams transcend your lies

Looking through my life forever

Lost in reality again

Winds of Dust

Blow away all souls

Leave me be, my Guarding Angel

Or reality'll come back

I close my eyes

And I welcome the dawn

It is my last chance to escape - I know...

But don't take it away from me

Heal my body and break my soul

Gods Of The White Walls

I'm far away - here my journey's over
