I want to build you up, brick by brick
I want to break you down, brick by brick
I'm going to reconstruct, brick by brick
I want to feel you love

Brick by brick
Brick by brick

I want to steal your soul, brick by brick
I want to rock and roll, brick by brick
I want to rock and roll, brick by brick
I want to rock and roll

Brick by brick
Brick by brick

I want a brick by brick, brick by brick
I wanna blow wide berth, brick by brick
I wanna melt this soul, brick by brick
I wanna brick by brick, by brick, by

Brick by brick
Brick by brick
Brick by brick
Brick by brick
