Get on your dancing shoes  
There's one thing on your mind  
Hoping they're looking for you  
Sure you'll be rummaging' through

And the shit, shock, horror  
You've seen your future bride  
Oh, but it's oh so absurd  
For you to say the first word  
So you're waiting and waiting

The only reason that you came  
So what you scared for?  
don't you always do the same  
It's what you there for, don't you know

...the lights are flashing  
Down in here tonight  
And some might exchange a glance  
But keep pretending to dance

Don't act like it's not happening

As if it's impolite  
To go and mention your name  
Instead you'll just do the same  
As they all do, and hope for the best...

The only reason that you came  
So what you scared for?  
Well don't you always do the same  
It's what you're there for but no

Get on your dancing shoes  
You sexy little swine  
Hoping they're looking for you  
Sure you'll be rummaging through

Oh and the shit, shock, horror  
You've seen your future bride  
Oh, but it's oh so absurd  
For you to say the first word

So you're waiting and waiting
