Watch me, watch me go  
Well I'm struttin' up ever so slow  
And now sting me, get in the groove  
'Cause they're bangin' on the door  
Yes, they're hard and they'll make a move

We're wakin' up those sleepers  
You know we're so mischievous  
Just what you'll do to keep us entertained  
We're wakin' up those sleepers  
You know we're so mischievous  
Just what you'll do to keep us entertained

(Knock, run)  
She's got you up  
And she's run, run, runnin' away  
(Knock, run)  
You're knockin' first  
If you think that you're comin' to play

And I don't mind  
'Cause all the time you're talkin' at me  
No, I don't mind at all

Oh well, cap guns and polystyrene planes

Well I'm buyin' penny bubblics with my change  
'Cause sting me, get in the groove  
'Cause they're bangin' on the door  
Yes they're hard and they'll make a move

We're wakin' up those sleepers  
You know we're so mischievous  
Just what you'll do to keep us entertained  
Oh well, now she says she's goin'  
That she's got the towel to throw in  
Was just about to blow him and run away

(Knock, run)  
She's got you up  
And she's run, run, runnin' away  
(Knock, run)

You're knockin' first  
If you think that you're comin' to play

And I don't mind  
'Cause all the time you're talkin' at me  
Well I don't mind at all, no
