Library pictures of the quickening canoe  
The first of it's kind to get to the moon  
Draw some ellipses to chase you round the room  
Through curly straws and metaphors and goo

Been watching all the neon blossom, flickering  
You look as if you've all forgotten where you've been  
Going riding through the thunder so cold, fuzz canyon  
10, 9, 8, 7, 6, 5, 4, 3, 2, 1

Library pictures of the quickening canoe  
The first of it's kind to get to the moon  
Give me an eeny, meeny, miny, moe  
Or an ipp, dipp, dog shit, rock and roll
