[Verse 1]

Mad sounds in your ears  
Make you feel alright  
They bring you back to life  
Mad sounds in your ears  
Make you get up and dance  
Make you get up  
Yeah, they make you get up

Love buckles under the strain  
Of those wild nights  
Run but you can not hide

[Chorus]

Mad sounds, in your ears  
Make you get up and dance  
Make you get up  
All night long they reappear,  
Make you get up and dance  
Yeah they make you get up

Suppose you've gotta do what you've gotta do  
We just weren't feeling how we wanted to  
You sit and try sometimes  
But you just can't figure out what went wrong  
Then out of nowhere, somebody comes and hits you with a

Ooh la la la  
Ooh la la la  
Ooh la la la, ooh  
(x2)

[Chorus]

You got those mad sounds in your ears  
To make you get up and dance  
Mad sounds in your ears

They make you get up and dance  
Well don't they make you get up  
Yeah they make you get up
