Come and take a leaf out of my book
I'm a crack dealing crook
Selling lots of rock 'n' roll to the masses
And I know if you wanna take a trip to the city

We can go
(To Gibraltar)
We can go
(To Gibraltar)

A let's go, a let's go, a let's go, a come on
A come on, a come on, a come on, a come on
A let's go, a let's go, a let's go, a come on
Give me your Switch card, I'll book some flights
1996 and I'm stuck at the bottom of a truck
On the run from the MI5, got detectives
That I'll say if they catch me I really really wish

That I had stayed
(In Gibraltar)
That I had stayed
(In Gibraltar)

Let's go, let's go, let's go, come on
Come on, come on, come on, come on
Let's go, let's go, let's go, come on
Yeah, yeah, yeah, give me your Switch card, I'll book
some flights
