I wish you would have smiled in the bakery  
or sat on a tatty settee  
at some mutual friend's gathering  
and the more you keep on looking  
the more it's hard to take  
love, we're in stale mate  
to never meet is surely where we're bound  
there's one in every town  
just there to grind you down  
I wish I would have seen you in the post office  
well maybe I did and I missed it  
too busy with a mind on clever rhymes  
why not the rounders pitch or the canteen  
you're slacking love, where have you been?  
Just had to go and wait until tonight  
so give me the invite  
don't worry it's alright  
I wish I would have seen you down in the arcade  
sipping on a lemonade in the paper cup and chewing  
on the straw  
and I wish I would have seen you in the bakery  
but if I'd seen you in the bakery you probably wouldn't  
have seen me
