One look sends it coursing through the veins  
Oh how the feeling races  
Back up to their brains  
To form expressions on there stupid faces  
They don't want to say hello  
Like I want to say hello  
Oh the heartbeats at it's peak when you're coming up to  
speak

And I'm so tense, never tenser  
Could all go a bit Frank Spencer?  
I'm talking gibberish, tip of the tongue but I can't  
deliver it  
... Properly,  
Oh it's all getting on top of me  
And if it weren't this dark you'd see how red my face  
has gone

Everybody's trying to crack the jokes and that to make  
you smile  
Those that claim that they're not showing off  
Are drowning in denial  
They're not half as bad as me  
Say anything and I'll agree  
When it comes to acting up,  
I'm sure I could write the book

And now that you're more than a part in the play  
It's slightly easier to think what to say  
You had us all, standing on our heads  
Doing our best tricks

Never again,  
Never again, will there be another one that's as  
desirable as you  
One look sends it coursing through the veins  
Oh how the feeling races  
Back up to their brains  
To form expressions on there stupid faces
