Let's start this out by saying
You're the worst mistake that I have ever made
I did it to myself
And when you said you gave up
You're the biggest liar I have seen

I can't believe that
I let this go on for so long and
You never gave me any chance to
Prove anything to anyone you

Let's play this game
Where you're the innocent one you would never cross
my name
I did to myself
And when you said you're sorry
You're the biggest hypocrite I've seen

I can't believe that
I let this go on for so long and
You never gave me any chance to
Prove anything to anyone you

You'll make this up
So make it all up
And everyone believed you oh so much
And I'll let it go just to show you

I can't believe that
I let this go on for so long and
You never gave me any chance to
Prove anything to anyone you
