=====

Santeria - Sublime

=====

I don't practice santeria got no crystal ball

I had a million dollars but I'd spend it all

I could find that heina and that sancho that she's found

I'd pop a cap in sancho and I'd smack her down

All I really wanna say

I can't say it's love I need

But my soul will have to wait till I get back and find  
heina of my own

Daddy's gonna love one and all

I feel the break and I got to live it out

I swear that I really wanna know

All I really wanna say is I got mine and I make it

Yes, I'm comin' up

Tell sanchito that if he knows what is good for him he  
best go run and hide

Daddy's got a new .45

And I won't think twice to put that barrel straight down  
sancho's throat

Believe me when I say that I got somethin for his punk  
ass

What I really wanna say is there's just one way back

And I'll make it but my soul will have to wait
