Don't cry baby

It's okay now

I'm here for you

Don't say

It is too hard

I'll be by your side forever

Your smile

Is everything to me

Your love is gold

We'll find

Somewhere out there

A place that is meant for us

Baby you're the one

The one I need so badly

I don't know what I'll do

If I didn't have you

I will wait forever

I don't care if I died

I just need to see your smile

Before I close my eyes

Before I close my eyes...
